Item 8.01 Other Events

On December 1, 2011, David L. Mahoney, a member of our Board of Directors, adopted pre-arranged stock trading plans in the name of a family trust and in the name of a private foundation that he controls to sell over time a portion of the common stock in our company that are currently held under his beneficial ownership as part of his individual and the organization's long-term strategy for asset diversification, tax and financial planning. The stock trading plans were adopted in accordance with guidelines specified under Rule 10b5-1 of the Securities Exchange Act of 1934, as amended, and our company's policies regarding stock transactions.

Under these Rule 10b5-1 trading plans, over a one-year period beginning on January 1, 2012 subject to minimum price thresholds and other sale date requirements as specified in each plan, Mr. Mahoney's family trust and the private foundation plan to sell, in the aggregate, up to 168,828 shares of our company's common stock. Based on holdings beneficially held by Mr. Mahoney as of December 1, 2011, if Mr. Mahoney and the foundation complete all the planned sales under their respective stock trading plans, Mr. Mahoney and related entities would retain, in the aggregate, holdings of 1,251,543 shares of our common stock, including warrants and vested and unvested options to acquire common stock.

The transactions under these plans will be disclosed publicly through Form 144 and Form 4 filings with the Securities and Exchange Commission.

Also, on December 1, 2011, Anne M. LeDoux, our Vice President and Controller, adopted a pre-arranged stock trading plan to exercise and sell a portion of the shares issuable to her upon exercise of option awards over time as part of her individual long-term strategy for asset diversification, tax and financial planning. The stock trading plan was adopted in accordance with guidelines specified under Rule 10b5-1 of the Securities Exchange Act of 1934, as amended, and our company's policies regarding stock transactions.

Under this Rule 10b5-1 trading plan, over a one-year period beginning on January 1, 2012 subject to minimum price thresholds and other sale date requirements as specified in this plan, Ms. LeDoux plans to sell up to 60,000 shares issuable upon exercise of option awards. Based on holdings as of December 2, 2011, if Ms. LeDoux completes all the planned sales under her stock trading plan, she would retain holdings of 365,000 shares of our common stock, including vested and unvested options to acquire common stock.

The transactions under this plan will be disclosed publicly through Form 144 and Form 4 filings with the Securities and Exchange Commission.
