**Item 1.01 Entry into a Material Definitive Agreement**

On March 20, 2014, we entered into a manufacturing and supply agreement (the “Agreement”) with Produits Chimiques Auxiliaires et de Synthèse SA (“PCAS”), pursuant to which PCAS will manufacture mifepristone (the “product”), the active pharmaceutical ingredient in Korlym®, to meet our commercial and development needs. PCAS will manufacture the product at FDA registered facilities. We have agreed to purchase a certain minimum percentage of our mifepristone requirements from PCAS.

The initial term of the Agreement is five years from March 20, 2014, with an automatic extension of one year unless either party gives 12 months’ prior written notice to the other that it does not want such an extension. We have the right to terminate the Agreement if PCAS is unable to manufacture the product for a consecutive nine-month period. The Agreement contains customary representations, warranties and covenants. Subject to certain limitations, we have agreed to indemnify PCAS for certain third-party claims related to the product, and PCAS has agreed to indemnify us for certain breaches of representations, warranties and covenants, and other specified matters.

The foregoing description of the Agreement is only a summary and is qualified in its entirety by reference to the Agreement, a copy of which will be filed as an exhibit to our quarterly report on Form 10-Q for the quarter ending March 31, 2014.

Statements made in this current report on Form 8-K, other than statements of historical fact, are forward-looking statements, including, for example, statements relating to the manufacture of the product. Forward-looking statements are subject to a number of known and unknown risks and uncertainties that might cause actual results to differ materially from those expressed or implied by such statements. These and other risk factors are set forth in our annual report on Form 10-K for the fiscal year ended December 31, 2013 and subsequent SEC filings. We disclaim any intention or duty to update any forward-looking statements made in this current report on Form 8-K.
