Item 8.01 Other Events

On December 22, 2011, Joseph C. Cook, Jr, a member of our Board of Directors, adopted pre-arranged stock trading plans to sell a portion of the common stock that he holds in our company over time as part of his individual long-term strategy for asset diversification, tax and family financial planning. The stock trading plans were adopted in accordance with guidelines specified under Rule 10b5-1 of the Securities Exchange Act of 1934, as amended, and our company's policies regarding stock transactions.

Under his Rule 10b5-1 trading plans, Mr. Cook plans to sell up to 605,000 shares of our company's common stock over an eleven-month period beginning on February 1, 2012 subject to minimum price thresholds and other sale date requirements as specified in his plans. Based on holdings as of December 22, 2011, if Mr. Cook completes all the planned sales under his stock trading plans, he and his affiliated entities would retain holdings of 2,189,465 shares of our common stock, including warrants to purchase common stock and vested and unvested options to acquire common stock.

The transactions under these plans will be disclosed publicly through Form 144 and Form 4 filings with the Securities and Exchange Commission.
