### **Item 8.01 Other Events**

On November 26, 2012, David L. Mahoney, a member of our Board of Directors, adopted pre-arranged stock trading plans in the name of a family trust and in the name of a private foundation that he controls to sell over time a portion of the common stock in our company that are currently held under his beneficial ownership as part of his individual and the organization's long-term strategy for asset diversification, tax and financial planning. The stock trading plans were adopted in accordance with guidelines specified under Rule 10b5-1 of the Securities Exchange Act of 1934, as amended, and our company's policies regarding stock transactions.

Under these Rule 10b5-1 trading plans, over a one-year period beginning on January 1, 2013 subject to minimum price thresholds and other sale date requirements as specified in each plan, Mr. Mahoney's family trust and the private foundation plan to sell, in the aggregate, up to 168,828 shares of our company's common stock. These 2013 plans will replace similar plans that Mr. Mahoney has had in effect during 2012; no shares have been sold to date under these 2012 plans. Based on holdings beneficially held by Mr. Mahoney as of November 26, 2012, if Mr. Mahoney and the foundation complete all the planned sales under their respective stock trading plans, Mr. Mahoney and related entities would retain, in the aggregate, holdings of 1,330,495 shares of our common stock, including warrants and vested and unvested options to acquire common stock.

The transactions under these plans will be disclosed publicly through Form 144 and Form 4 filings with the Securities and Exchange Commission.
